Procedure(s) \_\_\_\_\_

✓ **Included Pre Anesthetic Physical Exam and Anesthetic Monitoring**

### Pre Anesthetic Blood Work

Pre-anesthetic blood work checks the internal organs and blood count and is a vital part of safe anesthesia. Help us provide the best level of care for your pet by choosing to perform blood work prior to anesthesia or sedation.

**PLEASE CHECK ONE**

- Chem w/ Complete Blood Count (CBC) **\$144**
  - Basic internal organ screen (liver, kidneys) with full red and white blood cell count
  - For generally healthy, younger patients
- Comprehensive Chem, electrolytes, and CBC **\$166**
  - Full blood work on all major organs, electrolytes, and full red and white blood cell count
  - Indicated for longer anesthetic procedures, sick patients, and pets over 5 years old.
  - \*\*\*Note – your vet may require this blood work for some procedures and situations\*\*
- I **decline** blood work and understand there are **increased risks during anesthesia**

### Intravenous (IV) Fluid Support During Anesthesia

Administration of IV fluids during anesthesia helps maintain blood flow to the organs and keeps blood pressure normal. IV fluid support greatly increases the safety of anesthesia. **PLEASE CHECK ONE**

- Administration of IV fluids during anesthesia (covers IV Catheter and Fluid administration for short procedures) **\$75**

*\*Please note some procedures and conditions will need additional IV fluid support for longer periods of time which will be at additional cost. Your pet's doctor may require IV fluids for anesthesia.*
- I **decline** IV fluid support and understand there are **increased risks during anesthesia**

### Additional Services While Under Anesthesia

- |  |   |
|--|---|
| <input type="checkbox"/> Nail Trim and file - <b>\$13</b>  | <input type="checkbox"/> Ear clean if needed - <b>\$30 (meds extra)</b> |
| <input type="checkbox"/> Microchip - <b>\$45</b>           | <input type="checkbox"/> Heartworm test - <b>\$52.50</b>                |
| <input type="checkbox"/> Express anal glands - <b>\$20</b> | <input type="checkbox"/> Feline Leukemia/FIV test - <b>\$66.50</b>      |

### ANESTHESIA/SEDATION/PROCEDURE AUTHORIZATION

**Please initial after each statement below:**

I understand that unforeseen conditions may be revealed during the procedures that may require more extensive or different treatments. I understand that all reasonable efforts will be made to contact me to authorize any additional treatments. However, if these efforts are unsuccessful, I authorize the performance of any procedures or treatments that are deemed immediately necessary for the health and wellbeing of my pet in the professional opinion of the attending veterinarian. \_\_\_\_\_

I understand that I assume financial responsibility for all services rendered. \_\_\_\_\_

The veterinarian has described the procedures identified in the consent form and has explained to my satisfaction the purpose for performing them and the risks involved with them. I realize that there can be no guarantee as to the outcome of any procedures. \_\_\_\_\_

**If a spay procedure is being performed and my pet is pregnant:**

I give the veterinarian authorization to terminate the pregnancy at time of spay- Yes \_\_\_ No \_\_\_

I hereby authorize anesthesia/surgery for my pet. I understand that some risks always exist with anesthesia and/or surgery. My signature on this consent form indicates that any questions have been answered to my satisfaction. While Thompson Peak Veterinary Clinic provides the highest quality of anesthesia monitoring and surgical services, I understand that there are rare complications associated with any anesthetic or surgical procedure. In particular, I have been advised that there is a extremely small risk of death, complications, or side effects every time an anesthetic is used and that I have been advised of the possibility. I acknowledge these risks and understand that the veterinarians and hospital staff will try to minimize such risks. I will not hold Thompson Peak Veterinary Clinic, the veterinarians, or any staff member liable for any complications that may arise. \_\_\_\_\_

**I have read and understand this authorization.**
